

# CLEANS & PREVENTS MOLD

## WHAT IS RMR BOTANICAL

**RMR BOTANICAL** is a superior multi-surface cleaner & mold prevention treatment that penetrates into porous substrates, such as wood, concrete, drywall, fiberglass, fabric, vinyl and more. Made with plant based ingredients that stop odor causing bacteria with just one treatment and are safe to use on almost all surfaces. This powerful cleaner and mold treatment leaves no harmful residue that must be removed, therefore no rinsing or wiping is required. Works **GREAT** on boats and all home surfaces.

## HOW DOES IT WORK

**RMR BOTANICAL** has been designed to penetrate deep into substrate to clean and treat. Works on almost all surfaces.

## HOW IS IT APPLIED

**RMR BOTANICAL** can be applied using a standard pump sprayer or for larger projects, RMR Solutions offers a 110v electric sprayer with 60ft of hose. RMR Botanical can also be fogged with a ULV fogging machine.

## HOW IS IT SOLD

**RMR BOTANICAL** is sold in an easy to use 32 oz spray bottle, 1 Gallon container, 2.5 Gallon container and even a 55 Gallon drum for those contractor sized projects.

## APPLICATION RATE

**RMR BOTANICAL** application rate will vary based on amount of cleaning needed. Best applied using a pump sprayer or one of our 110v electric sprayer. Apply evenly to all surfaces for best results.
